

**1 Position: Fisheries Biologist
(Contract, Full-time)**

The Anishinabek/Ontario Fisheries Resource Centre (A/OFRC) is a not-for-profit corporation established by agreement between the Grand Council Chief of the Anishinabek Nation and the Ontario Minister of Natural Resources to further the knowledge and conservation of fisheries resources of interest to member First Nations and Ontario's stakeholders.

The A/OFRC is offering a unique contract job opportunity to a fisheries biologist with demonstrated field experience. The successful candidate will also use their experience in project design, data analysis, and reporting of fisheries data-. This full-time position will be based out of the Centre's office in North Bay, Ontario but will involve travel throughout the Lake Superior and Lake Huron regions and southern Ontario.

The A/OFRC places the highest priority on safety in the workplace. During the current pandemic we have modified work practices to ensure the safety of our staff and members of the communities who may be in contact with them.

The position is open immediately and will remain open until a suitable candidate is selected.

Remuneration: \$ 28.20- \$33.33/hr. based on a 37.5 hour work week

The ideal candidate will have:

- Graduated from a recognized university with a degree in fisheries science or related discipline
- Demonstrated experience in field project design and analyzing and presenting fisheries assessment and fish population data
- Experience completing fisheries assessment field projects, preferably including roles as a project and field crew leader
- Knowledge of or desire to learn about Anishinabek culture
- Excellent oral and written communication skills, including report writing
- Valid MTO driver's license and a clean driving record
- Knowledge of and experience with data systems, including data archives would be an asset
- Experience with GIS and possession of SVOP and MED A3 certificates would be assets

Given the traditional practices of the Anishinabek, exposure to wood smoke and the burning of sacred medicines, including tobacco, sweet grass, sage or cedar, may occur within the work setting.

Application Deadline: until a suitable candidate is identified

Potential candidates should email cover letters and resumes outlining their qualifications to employment@aofrc.org. Applications may also be mailed to the attention of Hiring Committee at A/OFRC, 191 Booth Rd. Unit15, North Bay ON, P1A 4K3. Enquiries may be made by email or by calling 705-472-7888.
